

ASK FOR AN INJUNCTION

Meat Packers Want Chicago Es-
topped From Interfering With
the Housing of Men.

PACKERS ISSUE STATEMENT

Define Their Position and Say
They Will Not Make Any
Agreement With Strikers.

(By Associated Press.)
CHICAGO, August 22.—Chicago meat
packers today asked for injunction
preventing the city of Chicago from
interfering with the housing of employ-
ees during the strike. The injunction
was asked in the name of the Ham-
mond Packing Company, and it insisted
that the companies were violating no
law and were acting entirely within
their rights. No decision was reached.
The packers have issued an official
statement defining their position in the
stock yards controversy and declaring
that they will not enter into any agree-
ment with the striking butchers.
Women. In reviewing the causes lead-
ing up to the strike, the packers point
out that they offered to submit the en-
tire matter to arbitration, and that their
offer was refused. They say negotiations
with an organization which violated
agreements is a waste of time.
Practically every striker at the stock
yards went on duty as a picket to-day,
all working under thoroughly organized
plans. Each squad has a specific terri-
tory, and each man has a specific por-
tion of a division. A largely increased
number of policemen were assigned to
the packing-house district to-day by the
chief of police.
Colored ministers and officers of col-
ored organizations were reported to-day
to be taking part in the strike. Under
conditions in the packing plants with a
view to urging members of the race to
cult work should allegations concerning
conditions there be found true.

BE LYNCHED IF CAUGHT.

Angry Crowd in Search of Negro Wanted for Criminal Assault.

(By Associated Press.)
ATLANTA, GA., August 22.—Specials
from Cedarhurst, N. Y., say that an
unknown negro committed a criminal as-
sault on the thirteen-year-old daughter
of a prominent farmer a mile from the
city early to-day. The negro, who has
been followed all day, bloodhounds
being put on his track. Business has
been suspended in the town which is
a fever of excitement. Hundreds of men
joining in the chase. The number is con-
stantly being increased by recruits from
distant parts of the section. It is openly
declared that lynching will follow the
capture of the negro, which at present seems
to be a matter of only a few hours. The
last report from there is that a negro has
been taken, but has not yet been iden-
tified.

MOSQUITOES ARE THERE AND HAVE BEEN FOUND

(By Associated Press.)
WASHINGTON, D. C., August 22.—
Passed Assistant Surgeon General
Marine Hospital Service the discovery at Key
West of mosquitoes of the genus
Anopheles. It regards the discovery as an
important one, in view of the fact that
for years Key West has enjoyed immunity
from malarial fever, and the discovery
demonstrates the presence of this mos-
quito. Measures for extermination are
recommended.

SSS THE BEST TONIC

In S. S. S. Nature has provided a tonic suited
to every requirement of the system when in a debilitated,
run-down condition. It contains no strong minerals or
drugs, but is a pleasant vegetable preparation. You can find no better remedy
for toning up the nerves and bringing refreshing, restful sleep.

S. S. S. improves the ap- petite and digestion, and its good effects are seen almost from the first dose. It acts promptly in cases of chronic dyspepsia, indigestion and all stomach troubles, and does away with the uncon- fortable fullness, shortness of breath, drowsiness and dizziness that so often come after eating. S. S. S. is not only the best tonic, but possesses alternative or purifying properties, and if there is any taint, humor or poison in the blood, it searches it out and removes it. Many times a low state of health is due to a bad condition of the blood and can only be remedied by such a remedy as S. S. S.

If you suffer from debility, weakness, insomnia, nervousness, loss of ap- petite, bad digestion, or any of the miserable symptoms of a disordered blood, nothing will so soon put your blood in good condition, invigorate and tone up the system and restore the health as S. S. S.

EXECUTIVE COMMITTEE.

Important Meeting of the Body.

(By Associated Press.)

NEW YORK, August 22.—The Demo-
cratic National Executive Committee met
here to-day. Previous to the meeting of
the committee Charles F. Murphy, leader
of Tammany Hall, accompanied by Victor
J. Dowling, called on Chairman Taggart,
of the National Committee, and also saw
other members of the Executive Com-
mittee. Soon after Murphy and Dowling
arrived Chairman Cord Meyer, of the
State Committee, and William F. Rodie,
chief of the bureau of organization of
the State Committee, came to the na-
tional headquarters.

It was understood that the State and
Tammany leaders met with the National
Executive Committee for the purpose of
trying to settle the difference that exists
between the city Democrats, known as
the Murphy-McCarren contest. Soon after
the arrival of Mr. Meyer there was a
short conference with Chairman Taggart.
Mr. Taggart provided a room for
four New York men, and they had a long
and earnest conversation, carried on
chiefly between Mr. Murphy and Mr.
Meyer.

Executive Committee Meeting.

The Executive Committee met soon after
the departure of the New York men.
There were present Chairman Taggart,
of the National Committee, and August
Belmont, former Senator Smith, of New
Jersey; Senator Martin, of Virginia; De-
laney Nichol, vice-chairman of the Na-
tional Convention, and George Peabody,
the treasurer of the National
Committee. In the absence of Chairman
Meyer, Mr. Belmont presided. It was
stated that the Murphy-McCarren matter
was not brought before the Executive
Committee, but that the conference of
the committee was upon general condi-
tions throughout the country.
When the meeting adjourned late in the
day, Chairman Taggart announced that
the reports that had been received were
very encouraging.
"I feel forced to say," he added, "that
the conditions in New York, by State
and city, are most satisfactory."

Dowling Added to Committee.

Chairman Meyer, after a conference
with members of the State Executive
Committee, among whom were P. H.
McCarren, made the following announce-
ment:
Cord Meyer, chairman of the Demo-
cratic State Committee, has added Sen-
ator Victor J. Dowling to the executive
committee. William S. Rodie has al-
ready been assigned in charge of the
bureau of organization for the organ-
ization of the party outside of the Great-
er New York, and Senator Dowling will
perform similar duties in the Greater
New York, having due regard to the
existence of county committees therein,
and to organize within that territory
for the purpose of assisting in polling
the entire Democratic vote for the Demo-
cratic ticket."

The selection of Mr. Dowling for the
position named was a result of the con-
ference at Democratic national head-
quarters. It is intended to restore polit-
ical harmony between McCarren and C.
F. Murphy, and as far as the organiza-
tion of the State and national campaign
is concerned, it will have that result.
Dowling will have charge of Greater
New York, and his close association
with Murphy makes it sure that the
organization will be thoroughly Tamman-
y. But it does not end the feud be-
tween the men personally or politically.
A Tammany man close to Murphy said
that the fight in the primaries on the
30th would go on.

The Democratic National Executive Committee refused to "officially" take up the Murphy-McCarren row, but it was thoroughly discussed "unofficially." Individual members offered their advice and no doubt assisted the Dowling se- lection, which is believed by them to meet all conditions for the campaign in

MR. ROOT WILL NOT RUN.

Writes Senator Platt That He
Would Not Accept Nomination.

(By Associated Press.)

NEW YORK, Aug. 22.—Senator Platt
said to-day that he had received a let-
ter from Elihu Root, declining to be Re-
publican nominee for Governor.

"I received Mr. Root's letter two days
ago," said Senator Platt. "As far as I
am concerned, it settled the question. I
don't believe that his being the nominee
of the party is in the range of possibility
now. He writes me that he will not
accept if he is nominated and nothing
could be more positive or final. I am in
favor of an open convention. Governor
Odell says that he is. Of course, we
all have our preferences, but I do not
believe the candidate will be selected until
the convention assembles in Saratoga."

PLATT AND HILL TO SPEAK ON SAME DAY

(Special to The Times-Dispatch.)

MIDDLETOWN, N. J., Aug. 22.—Sen-
ator Thomas C. Platt has accepted an in-
vitation to attend the fair at Deposit on Au-
gust 24 and deliver an address during
the day. David B. Hill is also expected
to be present on the same day and
speak.

The anticipated presence of these lead-
ers of opposition political parties has cre-
ated an unusual interest in the fair.
Railroad excursions are being planned on
an extensive scale and the managers of
the fair are puzzled to know how they
can accommodate the crowds. Timothy
L. Woodruff, former Lieutenant-Governor
of Maryland, is expected to attend the fair on
the day following.

SUNDAY AT ROSEMOUNT.

Judge Parker Attends Church and Chats With Friends at Home.

A Sunday special from Esopus says:
No visitors on political mission ap-
peared at Rosemount to-day, and the
hours passed by like the smoothly flow-
ing river at the base of the heights on
which Rosemount stands.
Judge Parker attended the Church of
the Holy Cross, of which his son-in-law,
Rev. Charles Mercer Hall, is rector. The
Rev. Mr. Hall was in Saratoga, holding
service in the Bethesda Church, and his
place was taken by the Rev. Father Ed-
ward J. Cooper, of Hackensack. Judge
Parker is one of the vestrymen, and he
passed a collection plate, as is his custom.
The Judge returned to Rosemount in a
lunch wagon, arriving there at 2 o'clock
afternoon. The Judge spent the afternoon
either on the veranda or walking about
the grounds with his family and friends.
Those who have come in contact with
the Judge since the beginning of the cam-
paign have been astonished by observing
his remarkable faculty for remembering
names and faces. A noteworthy example
of this was the greeting which he gave to
Dr. Miller, of Esopus, when he came here
yesterday with the delegation of
the Brooklyn Democratic Club.

RECOGNIZED AT ONCE

Shortly after the departure of the phy-
sician practiced in Cortland, N. Y., where
he once treated Judge Parker, then a boy
of seventeen, for worms on his back. The
patient have not seen each other since
then, yet the Judge instantly recognized
the Cortland physician, and the circum-
stances of their last meeting.
There was a rumor that a New Jersey
delegation of a thousand persons was to
visit from New York and spend the
day in viewing the desecrated where
Judge Parker dwells. As far as could
be learned, however, the delegation was
under way, for it soon became known
that the candidate would not permit Rose-
mount to be that sort of a shrine, and of
personally conducted Sunday tour.

One of the thousand about which such
a "great rumor" has been received, an
unassuming man, arrived at 4 o'clock.
He introduced himself as a plain Demo-
crat, who came to say he would vote
for Mr. Root, and that he wished suc-
cess.

Other visitors there were, comprising
half of Kings County of Bondout
and such of the citizens of Ulster county
who had carriages or who had found the
opportunity of securing a horse. Around
the house on the hill, amid the hydrangea
and the rose bushes, there swung this
afternoon scores of carriages filled with
the curious and the observant. Judge
Parker spent the day with his family and
a few friends, and the delegations of vis-
itors dispersed at dusk.

MARY JANE'S TERROR.

There are certain of the retainers at
